

STANDARD FORM NO. 64

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Acting Chief, D/E

DATE: 9 Feb 1956

25X1A9a

FROM : [REDACTED]

SUBJECT: Notification of Executive Committee meetings.

25X1A9a

At [REDACTED] request I called Mr. Kramer to ask why [REDACTED] was not notified of the last Executive Committee meeting.

25X1A9a

Mr. Kramer said that he had been out of the office (at school in the State Department) for two weeks and that he didn't know just what had happened but that for some reason the notifications were made "up front" and not by his secretariat staff. He thinks it was just an oversight that CIA was not notified.

25X1A9a

He assures us that [REDACTED] is on the list to be called and in the future his own staff will be doing the calling so there shouldn't be any slips.
